

## Partners in purpose

Willemstad, 03-04-2026

### Haven of Flavors 2026 | Dine. Delight. Donate.

Dear partner,

On Saturday September 19, we will host a new edition of **Haven of Flavors** at Villa ZEN Haven. Set under the stars, guests will be taken on a refined multi-course journey, where exceptional cuisine, elegant ambiance, and meaningful connection come together in an unforgettable evening.

At its heart, Haven of Flavors is more than a dining experience, it is a celebration of the magic of giving.

#### **This year's purpose: Preserving the Voices of Our Elders**

This edition supports the **Pernell Saturnino Foundation** with a vital cultural initiative, dedicated to documenting and preserving the knowledge of Curaçao's oldest musical pioneers.

Their stories, rhythms, and traditions are living heritage, fragile, irreplaceable, and at risk of being lost.

Through this initiative, we make possible:

- Interviews with elder musicians and storytellers
- High-quality audio and video recordings
- Digitization of rare cultural materials (LPs, cassettes, VHS, handwritten archives)
- Transcription of oral histories and rhythms
- Creation of a digital archive for future generations

#### **Why your partnership matters**

In our previous edition, we raised over ANG 9,000 in net proceeds, directly supporting the foundation and growth of a meaningful initiative.

With your support, we continue to create experiences that give back, where every contribution becomes part of a larger purpose.

#### **Ways to partner**

We invite you to become part of this experience through:

- Financial sponsorship
- In-kind contributions

### **Sponsor visibility**

As a partner, your brand will be featured through:

Event materials & menu

- Website & social media exposure
- On-site visibility during the event
- Inclusion in aftermovie & photography
- VIP experience opportunities

### **Let's create impact together**

Together, we create more than an evening. We create connection, meaning, and lasting impact.

Thank you warmly for your consideration.

With kind regards,

On behalf of ZEN Haven events,

Natasha Martina-Phelipa and Tiffany Jansen
